Equal Credit Opportunity Act Notice:

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is Farm Credit Administration, 1501 Farm Credit Drive, McLean, VA 22102-5090.

Right to Receive a Copy of Appraisal Report:

The following disclosure applies if the loan is to be 1) for any purpose and secured by a first lien on my (our) dwelling or 2) for a consumer purpose, secured by any lien on my (our) principal dwelling, and with an interest rate that is higher than certain average rates in the market: THE ASSOCIATION MAY ORDER AN APPRAISAL TO DETERMINE THE PROPERTY'S VALUE AND CHARGE YOU FOR THIS APPRAISAL. THE ASSOCIATION WILL PROMPTLY GIVE YOU A COPY OF ANY APPRAISAL, EVEN IF YOUR LOAN DOES NOT CLOSE. YOU CAN PAY FOR AN ADDITIONAL APPRAISAL FOR YOUR OWN USE AT YOUR OWN COST.

Consent to Association Capitalization By-Laws:

Each holder of voting stock shall, by such act of membership and receipt of a copy of this By-Law article, consent that the amount of any distributions with respect to patronage which are made in, or evidence by, qualified written notices of allocation, as defined in Code Section 1388, including allocations of surplus and patronage refunds paid in stock, and which are received by him or her from the Association, will be taken into account as income by such person at the stated dollar amount in the manner provided in Code Section 1385 (a) in the taxable year in which such qualified written notices of allocation are received. Such holder also consents by such act alone, to take into account as income in the same manner the amount of any distributions with response to patronage provided he or she receives written notice that such amount has been applied on his or her indebtedness to the Association, PCA or FLCA. Each such holder further consents that the amount of any distributions with respect to his or her patronage which are made in, or evidenced by, nonqualified written notices of allocation (as defined in Code Section 1388) will be taken into account (as income) by the holder in the taxable year in which such nonqualified written notices of allocation are redeemed. Consent under this paragraph shall be continuing in effect, but shall cease to be effective with respect to patronage of a distributee occurring after the distributee has ceased to hold voting stock of the Association.

No person shall be elected or continue to serve as a stockholder-elected director unless he or she is a holder of voting stock, is in compliance with the Regulations, is a bona fide farmer, a rancher, or a producer or harvester of aquatic products and either resides or farms in the region of the Association's territory designated for the position to which the director is elected. An individual designated to vote the stock of a corporation' limited liability company, partnership or other entity may be a director as long as that individual holds stock in the corporation, is a member of the limited liability company or partnership or holds some type of ownership interest in the entity and meets all other requirements for serving as an Association director. A legally authorized representative of a deceased or incompetent member is not eligible to be elected or appointed as a director unless such representative also holds voting stock in his or her own right.

YOUR INVESTMENT IN YOUR FARM CREDIT SYSTEM ASSOCIATION

As a member, you should be aware that your Agricultural Credit Association, Federal Land Credit Association, or Production Credit Association (“association”) is part of the federal Farm Credit System serving local agriculture in the Tenth Farm Credit District. The associations originate agricultural loans directly and make financially related services available to their members. Since associations are organized as cooperatives, you invest in the capital stock or participation certificates of the association as a condition to receiving a loan from the association or to qualify for financially-related services. This means that only persons eligible to hold stock or participation certificates can borrow from associations and that borrowers are a source of capital for an association. In addition, holders of stock or participation certificates can qualify for financially-related services. To assist you in understanding how stock and participation certificates work at your association, the most common questions and their answers are listed below. If you have additional questions, please contact your association.

Q. WHAT IS VOTING STOCK AND WHO CAN BUY IT?

- A. Voting stock is stock required to be purchased as a condition to receiving a loan carrying the right to vote on all matters which stockholders have the right to decide under the Farm Credit Act, Farm Credit Administration regulations or your association's bylaws. Voting stock can be purchased only by farmers, ranchers or producers or harvesters of aquatic products. Following cooperative principles, each member normally has only one vote regardless of the number of shares owned. The only exception is when stockholders authorize the issuance of preferred stock, when each stockholder's vote is weighted according to the number of shares owned. The par value of each share is \$5.00, which is also the purchase price.

Q. WHAT DOES VOTING STOCK OWNERSHIP GIVE ME?

- A. A holder of voting stock is entitled to vote to select members of the Nominating Committee, to make nominations from the floor and vote in the election of directors to the association's board of directors, to make motions and second motions at the annual stockholders meeting, to vote on measures brought before the meeting, and to vote on certain other matters relating to corporate governance. In addition, a holder of voting stock is generally eligible to serve as a director or as a member of the Nominating Committee.

Q. WHAT ARE PARTICIPATION CERTIFICATES?

- A. Your association may make rural home loans and certain farm-related business loans. These borrowers are not eligible to hold voting stock but must instead purchase participation certificates as a condition of receiving a loan. In addition, persons who are eligible to borrow may purchase participation certificates in order to qualify for financially-related services. Owners of participation certificates do not have voting rights except when stockholders authorize the issuance of preferred stock and are not eligible to serve on the association's board of directors. In all other respects, stock and participation certificates have the same rights and restrictions.

Initials: _____

Q. WHAT DETERMINES THE AMOUNT OF STOCK I MUST BUY?

- A. The minimum level of stock purchase requirements for loans and financially-related services is determined from time to time by the association board of directors within a range set forth in the association's capitalization bylaws which are subject to the approval of stockholders.

Q. HOW DO I BUY STOCK?

- A. The money needed to buy the required amount of voting stock or participation certificates can be included in your association loan request. If your loan request includes stock, the promissory note that you sign will include the amount necessary to purchase the required stock or participation certificates. In that case, you will also pay interest on the stock portion of your loan. The total amount of your loan, including stock or participation certificates, must be repaid in full. Under certain circumstances stock or participation certificates may be purchased during the life of the loan. Such purchases may be paid for in cash or by adding the purchase price to your loan. Purchases of stock or participation certificates to qualify for financially-related services shall be paid for in cash.

Q. IN WHAT FORM IS MY STOCK ISSUED?

- A. Your association issues a receipt for stock and participation certificates at the time they are issued. Ownership of the stock or participation certificates is recorded on the books of the association.

Q. DOES VOTING STOCK EARN DIVIDENDS OR PATRONAGE REFUNDS?

- A. Ownership of voting stock may make you eligible to receive patronage refunds based on business done with association or dividends based on the number of shares of voting stock or participation certificates you hold when the association board, at its sole discretion and upon review of the association's financial performance, declares a dividend or patronage distribution to eligible borrower(s). When the debt of a borrower is in default and has been placed in nonaccrual status by the Association or the Bank, the borrower shall not be entitled to receive and the association not be obligated to distribute patronage to such borrower while such debt is in nonaccrual status, borrower paid interest on a cash basis notwithstanding the nonaccrual status of the debt.

Q. DOES STOCK CHANGE IN VALUE?

- A. The \$5.00 per share par value of your association stock or the \$5.00 face value of your participation certificates does not change, but the book value could increase or decrease depending on the financial condition of your association. Any retirement, however, will be at the lower cost of par value or book value.

Q. HOW DOES DEFAULT AFFECT MY INVESTMENT?

- A. The association has a first lien on your stock or certificates and on any dividends, patronage and allocated surplus or equities as additional collateral for your loan(s) or any other indebtedness to the association. In the event of a default on the loan(s), all or part of such equities or amounts may be applied to the loan(s), or under certain circumstances, may be otherwise disposed of when approved by the lender.

Initials: _____

Q. WHAT HAPPENS IF MY LOAN CATEGORIZED AS NONACCRUAL?

- A. Federal regulations and generally accepted accounting principles (“GAAP”) require us to categorize a loan as nonaccrual if certain conditions exist or there is a known risk to the collection of principal or interest. In the event you default under the terms of your loan, the loan may be placed in nonaccrual status by the Association and at such point you will be ineligible to participate in the Association’s patronage program, because your loan(s) are in nonaccrual status.

A loan can be considered as nonaccrual if it meets any of the following conditions:

- Collection of any amount of outstanding principal and all past and future interest accruals, considered over the full term of the asset, is not expected; or
- Any portion of the loan has been charged off, except in cases where the prior charge-off was taken as part of a formal restructuring of the loan; or
- The loan is 90 days past due and is not both adequately secured and in process of collection.

When placed in nonaccrual, you shall not be entitled to receive and the Association shall not be obligated to distribute patronage distributions to you while your loan(s) are in nonaccrual status, unless you paid interest on a cash basis, notwithstanding the nonaccrual status of the debt.

Further, the ByLaws approved by the Association’s Board of Directors generally prohibits loans from participating in the patronage program as long as they are in nonaccrual status.

Q. IS THERE A RISK ASSOCIATED WITH MY STOCK INVESTMENT?

- A. Yes. Your ownership of stock or participation certificates in an association is an investment that allows you to share in the association's earnings through patronage refunds and/or dividends, but which is also subject to certain risks that could result in a partial or complete loss of the investment. It is not a compensating balance. The ultimate value of the stock is dependent on the future financial performance and condition of the association over time. Therefore, you cannot assume that stock will be redeemed on demand or upon a date certain or upon the happening of any event, such as repayment of the loan (as could be the case if the investment were considered a compensating balance). You are responsible for the full amount of your loan including the amount borrowed to pay for your stock or certificates, regardless of their book value.

Borrowers are advised to review the financial statements of their association, the association's capitalization bylaws and other available information about the Farm Credit System, copies of which are provided herewith and are available from the association upon request.

Q. WHAT HAPPENS TO THE STOCK IF AN ASSOCIATION IS LIQUIDATED?

- A. If an association is liquidated, the law prohibits stock retirements until the assets of the association are used to meet liabilities of the association. The assets of the association which remain when the liquidation is completed are all divided on a pro rata basis among current stockholders according to the proportion of stock they own.

Initials: _____

Q. WHAT HAPPENS TO MY STOCK WHEN THE LOAN IS REPAYED?

- A. Provided that the capital strength of your association permits it and unless used by you to capitalize other indebtedness, your stock may, in the board's sole discretion, be retired and the proceeds repaid to you upon final payment of the indebtedness or upon termination or completion of the financially-related services or at such future date as the board may determine that the association's financial strength permits.

Under the Farm Credit Act of 1971, as amended, Farm Credit Administration regulations and the association's capitalization bylaws, stock, including allocated equities, maybe retired only at the sole discretion of the association's board of directors and not on demand, a date certain, or upon the happening of any event, such as repayment of the loan. In the case of allocated equities, under the FCA's regulations and the association's capitalization bylaws, or where applicable, the association board of directors' annual capital resolution, such retirement may also require the approval of the FCA. The Act and regulations prohibit retirement of stock when the association fails to meet its minimum capital adequacy standard as established by the Farm Credit Administration under parts 615 and 628 of FCA's regulations, and the bylaws prohibit retirement when the association does not meet any higher board-established capital adequacy standard. The association board will maintain a capital plan and implement policies and procedures which can reasonably be expected to allow for the orderly retirement of purchased stock when requested by a stockholder, and where the association issues allocated equities, the orderly retirement of allocated equities in accordance with the association's capitalization bylaws, or where applicable, the board's annual capital resolution, in a safe and sound manner consistent with FCA's capital adequacy requirements. In the association's capital plan, a capital adequacy standard will be established by the association board of directors. The board will not approve the retirement of any allocated equities, the payment of dividends or the payment of patronage distributions in cash in excess of the minimum to qualify the refund as a deductible patronage distribution for federal income tax purposes, unless after the retirement and/or distribution the association would continue to meet its established capital adequacy standards, and in no event will the board retire equities if the minimum permanent capital standard established by the Farm Credit Administration is not met or if the FCA's approval is required but not received.

Q. DOES THE ASSOCIATION MEET ITS CAPITAL ADEQUACY STANDARDS?

- A. As of the date of this disclosure, the association meets or exceeds the minimum permanent capital adequacy standard established by the Farm Credit Administration and the standard set by the association board. The association board of directors knows of no reason that would cause the association to fail to meet the capital standard established by the board or the minimum established by Farm Credit Administration at fiscal year-end. However, as discussed in the annual report, uncertainties exist regarding matters that could have an impact on the association's capital adequacy which the association board cannot determine at this time.

NOTICE TO ALL SOUTHERN AGCREDIT, ACA STOCKHOLDERS

RE: Section 620.4ⁱ of the Farm Credit Administration Regulations:
Disclosure and Distribution of Annual Report to Stockholders

In accordance with the directives of this regulation, we are hereby providing notice to you that the association will:

1. Prepare and send FCA an electronic copy of its annual report within 75 days of the end of its fiscal year,
2. Publish a copy of the Association's annual report on its website (www.southernagcredit.com) at the same time FCA is provided an electronic copy, and
3. Provide to Association stockholders an annual report that is substantively identical to the copy of the report sent to FCA within 90 days of the end of the Association's fiscal year.

This Notice is required to be provided only once to stockholders during the life of the loan. However, at any time you desire financial information about your Association, you may look for it on the website or contact us at the address or phone number referenced above.
